FRATERNITY

Shriners are a fraternity based on fun, fellowship, the Masonic principles of brotherly love, relief, and truth with nearly 200 temples (chapters) in seven countries and thousands of clubs around the world. This fraternity is open to men of integrity from all walks of life.

"To Be a Mason, Ask One" The Concept/Theme of Shriner's originated in 1870 after a few of the fraternal members attended a party given by an Arabian diplomat. The exotic style, flavors of music and Arabian-themed party was the inspiration for the newly developing fraternity. These ideas and the knowledge of rituals helped to transform the fraternity into the Ancient Arabic Order of the Nobles of the Mystic Shrine. (AAONMS)

Being a Shriner can be a life changing experience. Whether it is new friendships, experiencing the joy of giving, or getting involved in our community for the first time, being a Shriner can make a man even better. There is also a fraternity for Women, Ladies Oriental Shrine of North America, there are groups for Teens too! Just ask a Shriner.
